PROFESSIONAL EXPERIENCE

Director / Global End-to-End Delivery Leader OCT 2016 - PRESENT
Virtusa · Health Payer Client · HIL Business Unit

- Lead global delivery across India, US, Sri Lanka, Canada, and Mexico.
- Delivered and maintained 250+ automation solutions generating approximately \$400M in business benefits.
- Grew account revenue from \$16M to \$21M, achieving 38-40% year-over-year growth.
- Secured \$17M TCV for OIA support and supported a \$33M five-year vendor consolidation deal.
- Expanded Express Scripts revenue 8x over two years.
- Delivered \$7M annual savings through Clarif AI Recommendation Engine.
- Reduced call center handling time by 30% through Knowledge Exchange Genie.
- Maintained less than 5% attrition and expanded executive stakeholders from 3 to 7.
- Enabled 80% OIA team cross-skilling across UiPath, Blue Prism, and Pega Robotics.

Manager - Automation & Process Transformation MAR 2008 - SEP 2016
EXL Services · Bangalore, India

- Transformed finance and accounting processes through RPA and process improvement; delivered \$100K savings in year one.
- Migrated 200 users to new VDI infrastructure within 60 days with no productivity impact.
- Reduced process time by 320 hours per month and delivered \$180K in transformation savings.

SELECTED STRATEGIC WINS

- **OIA Vendor Consolidation:** Supported a \$33M deal and secured \$17M TCV over five years.
- **AI Center of Excellence:** Delivered \$7M annual savings and 30% call handling time reduction.
- **Automation Portfolio:** Institutionalized assessment and ROI frameworks across 250+ solutions.
